

Bye-Bye Bad Behavior

Chorus:

Bye-bye bad behavior –
there's a new man on the inside!
I didn't get better, I just got "deader";
now Someone else in there abides.
I've got to live the Heartbeat of the New Drummer –
He's Christ Who lives in me.
This isn't Christian psychotherapy –
I've been redeemed, and, Praise the Lord, I'm free!

Verse 1:

This is an experience –
it's not just something that I learned in a book;
a bona fide relationship!
For the life that I was living
to Him I've been giving –
I'm a new man everywhere that I look!

(Repeat Chorus)

Verse 2:

This is being born again –
just the way that Jesus said!
Baptized in the Spirit, freed from sin!
And I keep on believing
there's more to receiving
than "parroting" a book that I read!

(Repeat Chorus)

End:

I've been redeemed, and, Praise the Lord, I'm free!

Bye-bye bad behavior!
