

Come In And Live!

Melody & Lyrics by Roger Funk, II

Verse:

There's a cry within my heart Lord
that my soul is longing for:
it's the simple, humble yearning
for You that I want more!
God I need You
more than anything in this world,
and so I sing
these words that tell my longing:

Chorus 1:

Come In And Live!
Come in and reign in my heart!
Come in and Live!
Come in and reign in my heart!
Holy Spirit come –
Lord, I need You now!
Renew me
in Your Presence!

Chorus 2:

Come In And Live!
Come in and reign in my heart!
Come in and Live!
Come in and reign in my heart!
Holy Spirit come –
Lord, I need You now!
Endue me
with Your Power!

Chorus 3:

Come In And Live!
Come in and reign in my heart!
Come in and Live!
Come in and reign in my heart!
Holy Spirit come –
Lord, I need You now!
Subdue me
in Your Glory!

End:

Come In And Live!
Come In And Live!
Come In And Live!
