

# **Lord, You Are There**

*Music & Lyrics by Roger Funk, II*

## **Intro:**

## **Verse 1:**

*When quiet breezes blowing gently wash my care-filled mind,*

*and living waters flow within, renewing me, I find*

*that's how I know - You Are There!*

*When sunlight warms my stony heart, and brings me to my knees,*

*and the fragrance of Your Presence brings me free and sure release,*

*that's how I know - You Are There!*

## **Chorus:**

*You Are There upon the mountaintops, and in the deepest seas!*

*You Are There up in the Heavens where my soul so longs to be!*

*You Are There in rocky canyons; in the valleys, there I plea,*

*"Reveal Yourself to me" - in all things You Are There!*

Verse 2:

*When dark clouds gather 'round me, and the sun no longer shines,  
and at the edge of jagged cliffs, a desert wind refines,*

*I need to know - You Are There!*

*And when lonely streams are everywhere, or icy winds should chill;  
when tempest rages, waves are tossed, my soul You come to still  
so I may know - You Are There!*

*(Repeat Chorus - 2 times)*

Hook:

*You Are There! You Are There! You Are There!*

*And I'm so thankful I can see \_\_\_\_\_ (pause)*
