

Make Me New, O Lord
Music & Lyrics by Roger Funk, II

Make Me New, O Lord,
by the power of Your Spirit!
Pour Your holy fire
on my heart so it can sear it!

Break this stubborn, hardened will I've
learned so well to gain!
Separate me to Yourself;
and heal me of my pain!

Make Me New, O Lord;
please break through till I'm all Yours!
O Lord, please make me new!

I never had the will to say
"I'm ready for the fire!"
But let Your Spirit burn me down
so You can build me higher!

Make my ways like Yours,
and I'll abide within Your love –
that others yet may see
that I am all You've wanted of!

Please Make Me New, O Lord,
by the power of Your Spirit!
Pour Your holy fire
on my heart so it can sear it!

Break this stubborn, hardened will I've
learned so well to gain!
Separate me to Yourself –
and heal me of my pain!

Make Me New, O Lord;
please break through till I'm all Yours!
O Lord, please make me new!
O Lord, please make me new!
My Lord, please make - me - new!
