

My Never-Ending Friend (Version 2)

D Bm
If I ever have the chance
Em
to thank You for the things You've done for me,
Cmaj7 A
I'd never see the millions more
A7 D G D
I'd never seen before You set me free!
D D7
I'd never know the price You paid
G Gm (pause)
for all the love You gave, my Lord.
D A
'Cause most of all, my never-ending Friend,
A7 G D A (pause)
You've been faithful to the end!

D Bm
And if I ever have the chance
Em
to see the tears You've cried each time I turned,
Cmaj7 C A
I'd never understand just why
A7 D A D
You loved enough to die, for all the love I've spurned!
D D7
And for every dream I dared to dream,
G Gm (pause)
I'll never clearly see, my Lord,
D A
how most of all, my never-ending Friend,
A7 G D
You've been faithful to the end! (To the end!)

A D D7
So, when eternity comes true
G Gm (pause)
I know exactly what I'll do, my Lord:
D Bm A
Most of all, my never-ending Friend,
A7 G D (pause)
I'll just love You back again!
D A
My closest Friend, so faithful to the end,
A7 G D
I'll just love You back again!
