

Oh God, I'm Cryin'

Verse 1:

G7 C

As I read the note you wrote me,

Em

wond'rin' where you might have gone,

F G C

I sense the trace of sadness in the words.

Am

And the meaning gets quite clearer,

Em

reading each and every line:

F Dm G G7

it just can't be – you're leaving me today!.

Chorus:

G7 C Am

Oh God, I'm cryin' – cryin';

Em

oh, what else could I do?

F G C

There's just so much one lonely heart can take!

G G7 C Am

I feel I'm dyin' – dyin';

Em

I've never been so blue!

F Dm G

So, please come back – life's just not right without you,

G7 C

'cause, Dear, I love you!

Verse 1:

G G7 C

As I look back at the good times,

Em

wond'rin' where they might have gone,

F G C

the mem'ries are the price that I must pay.

Am

For I love you more than ever,

Em

and I think you feel the same;

F Dm G G7

but still you're gone, and life goes on that way!.

(Repeat Chorus Twice)
