

Servant

Verse:

I may not stand as tall as others do,

but I stand as tall as I can.

And I may not be what most others are –

maybe not quite as strong as every other man.

And I may not fit the shoes that they're wearing,

oh and maybe never will be able to.

But I'm not looking to be just like anyone...

all I want is to be pleasing to You!

Chorus:

Lord, here I am, I am Your servant.

Lord, here's my heart to do as You will.

Lord, here's my offering: I give my body

a living sacrifice You'd be pleased to fill.

Lord here I am – I humbly surrender.

I bow before Your feet to seek Your grace.

I may not be worth much to anybody else

but Your servant I am, and I gladly give You myself!

Repeat:

But Your servant I am, and I gladly give You myself!
