

## **Song For A Backslider**

### **Verse #1:**

Do you remember all the vows that once you made,  
when you came to Jesus, and promised your life for which He paid?

Now, if you didn't, you forgot what

You said that you would do,

Here is what my counsel is to you:

### **Chorus #1:**

Tell Him you failed to live up to your word.

Then beseech Him not to do what you deserve!

Then trust in Him, and you'll surely find

Jesus gives you peace of mind!

Ask Him why He's ever so true;

then believe Him when He says that He loves you!

He gave His Life, and certain you can be

He'll still consider you family!

### **Hook:**

Nothing that you've done is greater than the blood He shed!

His mercy and grace forever prove

That there's full redemption by the cross upon which He bled!

There's power therein to free you from sin

And to make that mountain moo-oo-oo-ooove!

**Chorus #2:**

Tell Him, “Jesus, I’ve changed my mind –

I’ll serve You for the rest of time.”

Then, one day, to the Heavens we will climb!

The promise is both yours and mine!

Flying like the lightning moves through the sky;

carried to His temple there on high.

Then with Him always we will be,

in glory for eternity!

**Verse #2:**

So, just remember – all that I told you is a fact!

Soon we’ll rise to God’s Heaven

And then as a kingdom we’ll come back.

All that’s required to be taken,

no matter what sin you have done,

is trusting in the blood of God’s Son!

**End:**
