

That's The Way He Taught My Eyes To See!

Melody & lyrics written by Roger Funk, II

Verse 1:

I just can't quite imagine how my life would be today,
If I'd only listened to the Lord, and took time out to pray!
There'd be great opportunity – so much comfort I would see –
But then I turned aside. I didn't overcome my pride!
Now my life is so

Verse 2:

Full of heavy burdens that my heart can hardly bare;
And everyone is distant – I'm rejected everywhere!
But through it all I see: Your perfect plan for me
Because the trials came to teach me how to seek
To inherit Your Holy Name!

Chorus:

And That's The Way He Taught My Eyes To See!
And, through it all: the pain, the tears, the heartache, and the grief,
I wouldn't trade a thing! 'Cause to Him it did finally bring
This broken man, so He could tear me down, just to build me up again!

Verse 3:

You'd think that Jesus failed me – He just gave me up as lost!
If you took one look at me today, you'd say "What a hopeless cause!"
But if you look through the Spirit's eyes, you'd be totally surprised!
Because what He made is a heart that's pure and true,
in exchange for the Love He gave!

(Repeat Chorus 1X, then continue below)
