

Whom The Son Sets Free Is Free – INDEED!

Music & Lyrics by Roger Funk, II

I plead the blood of Jesus for your souls!
His blood alone will wash and make you whole!
I plead the power of His Name
and trust in Him to save,
for He is faithful to uphold
my every prayer I've prayed!
And I won't be discouraged by
the things I see, because of Christ!
I plead the blood to set your spirits free!
Whom The Son Sets Free Is Free – INDEED!

I loose the pow'r of Heaven over you!
Instead of failure, you will live in truth!
No matter how the devil tries
he cannot have his way,
for in the Name of Jesus he must
bow, submit, obey!
And, by God's Word, I do command –
on Christ my solid Rock I stand –
that everything He is He'd be for me!
Whom The Son Sets Free Is Free – INDEED!

Now, you may say that I confess a fairytale today;
but just you wait and see, in time, the miracles I've prayed,
that Jesus has been faithful to remember, in His love for you,
delivering His Promise to my seed!
Whom The Son Sets Free Is Free – INDEED!

And so I lift your names to God on high
that in your hearts His Spirit will abide;
that He will guide you with His Hand,
and draw you near His heart;
that from His Holy Presence you can not remain apart!
And I am sure He'll chasten you
till He has made His Promise true –
then everything I've asked the Lord will be!
Whom The Son Sets Free Is Free – INDEED!

My children, don't you be alarmed
when trials come your way
'cause they're designed to lead you to
the path you must obey!
And in that path is perfect peace,

eternal life, and sweet release!
Redeemed from all the hell this world can be –
Whom The Son Sets Free Is Free – INDEED!

I love you all with all my heart,
and for your sakes I will not part
with anything He's promised you and me,
for the Son will make us free – INDEED!

And you will know your Father's heart
when from His wings you don't depart –
abiding in His holiness and peace!
Whom The Son Sets Free Is Free –
INDEED!
