It's Time To Arise

by Roger Funk, II (ORIGINAL LYRICS, 7-3-2026, 12:34 p.m.)

You've been through a Journey
a path through a wilderness
where trials and struggles
defined what you thought would bless

Temptations and suffering,
hardships and loneliness;
you've been isolated
but you've made it through the tests!!!

It's Time To Arise!
It's Time To Arise!
It's Time To Arise!
It's Time To Arise!

Your victory's awaiting!
The path leads to perfect peace!
Striving has ended!
Now it is time to release!!
All of your burdens,
all of your doubts and your fears!
No more to sorrow!
The time to receive is here!!!

It's Time To Arise!
It's Time To Arise!
It's Time To Arise!
It's Time To Arise!

You've walked through the barren desert
but your feet are now strong:
You've endured the waiting in silence,
now your faith is your song!!!
You're learning to stand on my Promise
not in what you can do…
…to rest in the Words I have spoken
of what I alone can do!!!!

It's Time To Arise!
It's Time To Arise!
It's Time To Arise!
It's Time To Arise!

It's Time To Arise!
It's Time To Arise!
It's Time To Arise!
It's Time To Arise!

Now you've won the battle!
Blessings on every side!
Divine Authority
is the Power in which you stride!
No longer confusion!
Power and steadfast faith
are signs of anointing
that accompany my Present Grace!

It's Time - You've Arrived
It's Time - You've Arrived
It's Time - You've Arrived
It's Time - You've Arrived

You've been through the wilderness
But now your at Heaven's Throne
before Him Who's seated
with angels attending His Own!
You are His Child
a vessel of radiant light
so walk in the fullness
of your Conquering King's Pure Might!

From ashes to beauty
from prison to palace placed!
So stand in your fire
of your purpose at Glory's pace!
Sending your arrows
into shadows of defeat
breaking down strongholds
that others can taste victory

Generational cycles,
in bloodlines you're sent to restore,
will crumble at your feet
when you bring the Word of the Lord!
You have been chosen -
a vessel of Honor unto the King
- separated at Creation
made to boldly proclaim and sing:

I HAVE ARRIVED!
I HAVE ARRIVED!
I HAVE ARRIVED!
I HAVE ARRIVED!

NO DARKNESS SURVIVES!
FOR I HAVE ARRIVED!
THE SHADOWS SUBSIDE
BECAUSE I HAVE ARRIVED!!!!!!!
